## NATO RECOGNIZED – PATENT

Aero-Pac parts and towbars and tugs are having NATO Stock Number, or National Stock Number (NSN) as it is known in the US, is a 13-digit numeric code, identifying all the 'standardized material items of supply' as they have been recognized by all NATO countries including United States Department of Defense. Pursuant to the NATO Standardization Agreements, the NSN has come to be used in all treaty countries.

Ask Aero-Pac for the NSN number for the stock-listed products.

Our NATO certified producer number : 1225070.

Our Patent number : Patent doc. 1024556 / F16B 23/00
